Fiscal benefits

Since 2012 there is a special tax law in place, which makes it more advantageous to make a charitable donation.

This so called Geefwet allows you to claim your donations to organizations with a cultural ANBI status for 125%.

The Holland Festival has such an ANBI status. The fiscal advantage is valid for donations that total a maximum of € 5,000 annually.

- Send me more information about fiscal advantage and periodical gifts.
