EXPLANATORY NOTE

You want to make a periodic donation to the Holland Festival. If your periodic donation meets certain conditions; you can deduct it from your income tax return. However, a written agreement must first be drawn up between you and the Holland Festival. You can use this form to do so. Would you like to agree on something that you cannot include in this agreement? For example, that the gift ends upon the death of several people? Then you can have a notary draw up an agreement. Or you can draw up a written agreement yourself with us.

Conditions for periodic gifts

The exact conditions for a periodic donation to be eligible for deduction in your income tax return can be found at www.belastingdienst.nl/giften. Calculate your tax advantage if you make a gift to the Holland Festival here: www.anbigift.nl/hollandfestival.

Step-by-step plan

The step-by-step plan tells you what you, 'the donor', and 'the recipient', Holland Festival, must do so that you can deduct the amounts paid as a periodic donation in the income tax.

- The donor fills in their components on the 'Periodic Donation Agreement'.
- The donor signs the copy for the donor and the copy for the Holland Festival and sends both copies to the Holland Festival
- The Holland Festival then completes its parts on the form and signs both copies.
- The Holland Festival returns the copy for the donor to the donor and keeps its own copy.

1. Donation statement

In this section you fill in the following:

- your name
- the amount you donate per year, both in numbers and written out in full
- when the donation ends:
 - upon the death of yourself or another person
 - if you lose your employment
 - if you become incapacitated for work
 - if the Holland Festival loses its ANBI status

Fixed and even periodic payments

The donation must consist of a right to fixed and even periodic payments. This means that you are obliged to pay the same amount to the Holland Festival each year. You may decide whether to split that annual amount into several amounts, and, for example, pay part of the annual amount to the Holland Festival each month or each quarter, or whether to pay the annual amount in one lump sum. From 1 January 2023, you can only give a maximum of € 250,000 per year.

Death of yourself or someone else

The agreement must stipulate that the payments end upon the death of yourself or someone else. The other person can be anyone, such as your brother or partner. However, you must make a choice whether you want the benefits to end upon your death or someone else's. You cannot use this agreement if you want the benefits to end upon the death of more than one person.

You become unemployed or incapacitated for work

Do you want to avoid the obligation to make the gift if you become unemployed or incapacitated for work? Then you can include this provision in your agreement. If you do, you are still entitled to the donation deduction as long as you continue to make the donation under the agreement. Even if you stop the donation within the five-year period.

In case the Holland Festival loses its ANBI status

Are you not paying the donation for at least 5 consecutive years because the Holland Festival no longer has an ANBI status in the future? Then you may deduct the amounts paid, but only for the period when you could not have known that the Holland Festival no longer had an ANBI status. The Holland Festival may no longer have an ANBI status due to revocation of its ANBI status, or due to bankruptcy.

2. Duration of the donation

Here you enter the total number of years you want to make a donation. You must make a donation for a minimum of five years. Do you want to make a donation for more than five years? Then enter the agreed number of years, for example, eight or ten years. Do you agree to make a donation of minimum five years until you declare you no longer want to? Then tick the box 'indefinitely'.

Year of first payment

Here you enter the date on which you first pay the amount of the periodic donation to the Holland Festival. This does not have to be the same year as the year you sign this agreement, but in any case cannot be an earlier year.

Example

You have agreed in 2023 that you will donate € 1,500 to the Holland Festival each year. The first time you donate € 1,500 is on February 1, 2024. You then fill in 2024. Please note: Donations made before entering into the agreement do not count as periodic gifts. You are Young Benefactor up to the age of 42. If you turn 43 during the term of this agreement, you will automatically become a Benefactor (with the same amount).

4. Holland Festival Information

Transaction number

The transaction number is the number under which the Holland Festival has recorded this agreement in its administration. This number consists of a minimum of one and a maximum of fifteen digits. Letters or other characters may not be used. The number must also be unique. The Holland Festival may only use the same number once.

RSIN/tax (identification) number

This is the number by which the Friends of the Holland Festival Foundation is known by the tax authorities.

6. Details and signature of donor's partner

Do you have a spouse or registered partner? Then he or she must also sign the agreement, based on Article 88 of Book I of the Dutch Civil Code. Registered partnership is recorded at the civil registry of the municipality. You do not have a registered partnership if you only (i) have had a cohabitation contract drawn up by a notary public or (ii) are registered with a housemate at the same address in the records of your municipality.

Please note, in case of a possible divorce: as long as the court has not officiated the divorce, your spouse must still co-sign the agreement.
